Exercise 3: Monthly Sales Pattern

You noticed that in some months VanArsdel is performing better than other months. You want to investigate whether there is a pattern in VanArsdel's monthly sales. You need to create a line chart of total sales by month, and add slicer by year.

The report will look as follows:

Lab Question

2/2 points (graded)

Answer the following questions by using the chart you created.

In which Month did VanArsdel perform the best in year 2014?

☐ March

☐ April

☒ May ✓

☐ June

What about in year 2013?

☐ March

☐ April

☒ May ✓

☐ June

Submit

You have used 1 of 2 attempts

✓ Correct (2/2 points)
